## **FEE STRUCTURE & TRANSPARENCY NOTE (2026–27)**

The school fee structure is designed keeping in mind academic quality, student welfare, operational requirements, and parent convenience. Most regular academic arrangements are adjusted within the tuition fee structure in order to avoid unnecessary separate charges on parents.

The applicable fee structure for the academic session 2026–27 has been discussed and approved by the School Management Committee (SMC) in accordance with institutional procedures. The same was reviewed again at the beginning of the new academic session, including the participation and consideration of newly admitted students/parents, and was duly reaffirmed through the SMC meeting process.

The school maintains transparency regarding fee structure and academic information. Parents are informed about applicable fee details and academic requirements through proper communication channels.

The school remains committed to maintaining a balanced, transparent, and student-friendly academic environment.
