ACADEMIC BOOK LIST & JUSTIFICATION NOTE (2026–27)

The school gives priority to NCERT-based learning in accordance with academic and foundational learning requirements. In order to support language development, concept reinforcement, activity-based learning, practice enhancement, digital literacy, creative expression, handwriting improvement, communication skills, and overall academic growth of students, certain Supplementary / Suggestive Books have been included in a limited manner as supportive learning resources.

JUSTIFICATION OF SUPPORTIVE / SUGGESTIVE BOOKS

1. English Grammar / Hindi Grammar Support Books

These books are included to strengthen grammar concepts, vocabulary, comprehension skills, writing ability, and language accuracy beyond routine textbook exercises.

2. General Knowledge (GK – Wonder Why)

Included for enhancing general awareness, logical thinking, environmental understanding, and current knowledge among students.

3. Computer Books (Let's Click)

Used for developing basic digital literacy, computer awareness, and foundational technology skills appropriate to the class level.

4. Science Support Books (Magic of Science)

Included to encourage activity-based learning, observation skills, curiosity, and conceptual understanding through simple practical exercises.

5. SST Support Books (Explore Social Science)

Included to encourage activity-based learning, observation skills, curiosity, and conceptual understanding through simple practical exercises.

6. Mathematics Practice Books (Maths Mania)

Used for additional practice, problem-solving ability, mental mathematics, and reinforcement of foundational numeracy skills.

7. Writing Practice Books

Included for handwriting improvement, presentation skills, writing discipline, and structured language practice.

8. Communication Material

Used for maintaining regular academic communication between school and parents regarding homework, student progress, and classroom coordination.

9. Drawing / Art & Craft Books

Included to encourage creativity, fine motor skills, artistic expression, and activity-based learning.

10. Map Activity Books

Used for practical map work, spatial understanding, visual learning, and strengthening geography/social science concepts.

The above books/materials are provided only as academic support and guidance resources. School does not compel any parents to purchase books. And Parents want they are free to purchase books, notebooks, and stationery from any vendor/store of their own choice. The school does not compel or mandate purchase from any specific shop or vendor.

The school periodically reviews the book list based on academic needs and constructive parent feedback.

Parent Freedom Vendor Neutrality Note (2026-27)

Parents are free to purchase books, notebooks, stationery, uniforms, and other educational materials from any vendor/store of their own choice. The school does not compel purchase from any specific shop/vendor.
